Fourth Bore of the Caldecott Tunnel

*Bhaskar Thapa, Associate, Jacobs Associates, San Francisco*

thapa@jacobssf.com

The Fourth Bore of the Caldecott Tunnel has been undertaken by the California State Department of Transportation (Caltrans) in association with the Contra Costa Transportation Authority (CCTA) to relieve congestion on State Route 24 through the Berkeley Hills between Oakland and Orinda/Walnut Creek in the eastern margin of the San Francisco Bay Area. This talk will describe the design and construction of the Fourth Bore Tunnel which is currently underway.
