The AEG Sacramento Section is hosting its annual Student Night meeting on **Tuesday, April 29th**. We are doing things a little different this year in that there will be **no speaker**. This was done to **encourage networking** between students and professionals. In attendance will be AEG National President Gary Luce.

**Students**

- $5 to attend and connect with geology industry professionals, including AEG President Gary Luce
- Be one of the first 8 students to sign-up to present a poster and receive $50
- Be voted best poster and receive $100
- Win raffle prizes just for talking to professionals
- Apply for the Ray H. Tabor Scholarship by April 10th at 5:00 pm

**Professionals**

- Meet, mentor and network with the next generation of geologists
- Be amazed and enlightened by student poster presentations
- Donate raffle prizes to support this event
- Win raffle prizes just for talking to students
- Meet AEG President, Gary Luce

---

**Gary C. Luce** (M-GB) – Geologist/Geotechnical Engineer, Resource Concepts, Inc. Carson City, NV

2014-present:
Senior Geologist/Geotechnical Engineer of the Carson City Office. Resource Concepts, Inc. (RCI), is a multidisciplinary consulting firm, integrating expertise from such diverse disciplines as engineering, environmental services and natural resources. Gary began his career after graduating with a geology degree in 1979 as a minerals exploration geologist primarily working in the basin and range. He graduated a second time in 1992 with a Masters and undergraduate degree in Geologic Engineering. While obtaining those degrees he was the UNR student section chair 1989 to 1992. He is a licensed Civil Engineer in Nevada and California. Primary responsibilities include site characterization, tunnel investigations, rock mechanics evaluations, slope stability- rockfall investigations and mitigation design, fault studies, heap leach construction and tailings dam evaluations. He also provides marketing support and oversees business operations.

Gary chaired the Great Basin Section in 1997 and the Capital Branch of ASCE in 1996. He co-chaired both the 2002 Annual meeting in Reno and the 2009 meeting in Lake Tahoe. He has chaired the K-12 Education Committee and is currently a member of the Annual Meeting Advisory Committee. Other affiliations include the American Rock Mechanics Association, Society of Metallurgy and Exploration, Nevada Geological Society, Nevada State Railroad Museum Foundation, Northern Nevada Railway Foundation, and the Fourth Ward School Foundation. Gary and his wife Leigh enjoy white water rafting and skiing in their free time.
