**CERTIFICATION AND AUTHORIZATION RELEASE**

I certify that all information I have provided on this application is true to the best of my knowledge.

I authorize the AEG Sacramento Section to publicize my scholarship award if I am a recipient, and include my name on a list of past scholarship recipients on the section website. Application materials will remain confidential.

I understand that these funds, if awarded, are to be used only for tuition/fees required for enrollment at my educational institution, fall/summer field course fees, and/or research project costs (e.g., field supplies, radiocarbon dating, laboratory testing, etc.), and in signing this application I warrant that any funds awarded will only be used for those purposes.

Signature of Applicant: \_\_\_\_\_ Date: \_\_\_\_\_

- Include a copy of your transcripts. Official transcripts (original or photocopy) and unofficial transcripts printed from the university website are acceptable. Applicants for the graduate scholarship should include both undergraduate and graduate transcripts.
- Include an essay describing yourself and your educational and professional goals in the geosciences. Graduate scholarship applicants should discuss their goals specific to environmental or engineering geology. The essay should be no more than two pages long (12 point Times New Roman font, 1.5 line spacing, and one-inch margins).
- Include at least one letter of recommendation. The letter(s) can be from a geology professor or a supervisor if you work for a geologic consulting firm or agency. The letter(s) should be mailed or emailed directly from your reference to the Scholarship Chairperson. All letters will remain confidential.

Send the completed application form, transcripts, and essay by mail or email to:
